Torch Ceremony In Area Proves To Be Huge Success

Flame To Burn At Rocking Stone Tower During Squaw Games

A brief but impressive ceremony Monday afternoon marked the lighting of the Olympic Torch on the Rocking Stone tower in Truckee.

The affair was arranged by the Truckee Donner Chamber of Commerce with Zeph Rose, chairman of the committee appointed by N. F. Dolley, chamber president. Other committee members were Dr. R. W. Affeldt and Mrs. Anthony St. Claire.

The torch, symbol of the Olympic Games, arrived at Donner Lake Lodge Sunday and an observance was held there featuring a program attended by a large crowd.

Monday it was carried to Truckee by high school and elementary school youngsters who lined the highway to share in the distinctive honor of having taken part in the impressive celebration.

Arriving on the main street, the flame was delayed time after time as pictures were taken of the various participants holding high the torch.

The ceremony at Rocking Stone tower was attended by a large group of men, women and children with the Cub Scouts, under the guidance of their leaders carrying the flame up the final steps of the tower.

The program was opened with a hymn, improvised and sung by Mrs. Fosten Wilson, with the appropriate title paraphrased to read "Bless this Flame, Oh, Lord, We Pray." She was accompanied on the organ by Mrs. Nelson Stone.

Dr. Affeldt officiated as master of ceremonies and introduced Bill Berry, pioneer winter sports scribe from Reno, who gave a brief resume of the history of skiing in

(Continued on Page 8)

Five File To Seek Office On Board

Five candidates for the five directorships on the Truckee Tahoe Airport Board have filed petitions, according to Cecil Edmunds, secretary of the board. The election is scheduled for March 22.

Four of the candidates are incumbents. They are Chairman Zeph Rose, Lee Apple, and Rex Reid all of Truckee and Fred Schultz of Kings Beach.

The other candidate is Jack Houlgate of the Clements Rock Products Company who filed to replace Walter Speeter of Tahoe Vista. Houlgate is an ardent flier and has shown a considerable interest in the local airport plans.

Robert Fugazi is the attorney for the district and is attempting to determine whether or not an election will be necessary since only five candidates have filed. In the meantime plans for holding the election will continue, Edmunds said.

PRICES HERE HELD AT NORMAL LEVELS

Considerable comment has been heard about the prices being charged for accommodations in the area, although a survey revealed that local food and other commodity prices are holding a firm line. Some motel prices have been advanced to a high degree while others have attempted to maintain reasonable rates.

One of the most frequent complaints on prices is the one established by a bus company which is charging $4, plus tax, for a round trip ticket from Truckee to Squaw Valley and return. From Tahoe City to Squaw Valley and return is $2.27 plus tax.

BANK HERE CLOSES ON FEBRUARY 22ND

In observance of Washington's Birthday, the Truckee branch of Bank of America will be closed Monday, Manager Lee Apple an- Valley, now manned by a staff of nounced.

However, the branch at Squaw seven, under the Assistant Management of Beryle Ferriera, will remain open. This branch, established as an accommodation for the thousands of visitors, will be kept open every day of the week, including Sundays during the period of the Olympics.

OREN REID WINNER IN RIFLE CONTESTS

SAN DIEGO (FHTNC) — Marine Acting S/Sgt. Oren B. Reid, son of John E. Reid of Donner Lake, and husband of the former Miss Virginia Gienapp of Freeport, Ill., has been named first place winner of the fourth quarter, Eighth Annual Leatherneck Rifle Contest.

He reecived a Winchester Rifle and a $40 cash award for scoring 241 out of a possible 250 points.

Reid is serving as a rifle and pistol instructor with Marksmanship Training Unit at the Camp Matthews Rifle Range, Marine Corps Recruit Depot, San Diego.

Flags, Banners Are Installed In Area To Herald Games

The Truckee-Donner area took on a festive attire last week with the installation of scores of flags and streamers decorating the region for the thousands of visitors and participants to the Olympic Winter Games.

The installation of the decorations was done by crews from the Truckee Public Utility District with N. E. Dolley, president of the Truckee Donner Chamber of Commerce, directing the operation.

While the area is widely scattered, the banners were placed at locations where they would be seen by the largest number of people and present an attractive appearance.

Each of the 10 large electroliers on Truckee's main street are draped with welcome signs, while the same type of flags were placed at Donner Lake and Gateway shopping Center.

Similar decorations have been placed at North Lake Tahoe in all the various committees.

Sam Follett Dies In San Francisco

One of Truckee's pioneer residents, Samuel A. Follett expired at a San Francisco hospital Tuesday night following a long illness.

Follett was a veteran railroader and retired a few years ago but continued to make his home here.

Funeral services are being arranged with the Truckee Colonial Mortuary which went to San Francisco to return the body.

Follett is survived by his wife and one son, Marion. Complete details will be published in next week's Sierra Sun.

DONNER OIL PLANT PERMIT REJECTED

At a meeting of the Nevada County Planning Commission Monday night in Nevada City, an application by Jack Ellis to install a bulk oil plant at Donner Lake was denied. The plant was to have been located near the site of the Donner Trail Lumber Company and opponents to the application said that because of the heavily wooded area and the large number of homes, the application should be denied.

A delegation from Donner Lake attended the meeting, as did Cecil Edmunds, local member of the commission.

The commission delayed action on the zoning of Donner Lake until the March 21 meeting. The second hearing was scheduled for Monday night because of the inability of the committee to determine the wishes of all the residents of the affected area, official action was postponed.

EMERALD BAY ROAD OPENED FOR GAMES

Frank Fox, superintendent for the division of highways in this area, yesterday announced that the Emerald Bay highway had been opened for traffic.

Fox said the route is reasonably safe although a large number of rocks and minor slides filled the road during the recent storms.

Opening of this road is expected to relieve heavy traffic going to and from the Olympic Games during the next two weeks.

SALE OF LAND NEAR DONNER REPORTED

The sale of Dollar Estate property located on the south side of Donner Lake to the South Side Development Company for $75,500 was recorded in the Nevada County Recorder's office on Feb. 11.

Property of the transaction, located in Nevada County, is in two lots, both lake front land. One site was 3.71 acres and the other approximately 2.5 acres. The larger lot overlaps into Placer County to about nine acres.

Sellers of the property were Esther J. Dollar, R. Stanley Dollar, Jr., and Diana Dollar Hickingbotham as executors of the will of the late R. Stanley Dollar.

Back From Trip—

Mr. and Mrs. Clarence Osburn have returned after a vacation trip to Boulder and Lake Mead.

Traffic Here Over 1959 Mark With New Jan. Record

Truckee Station In Fourth Place As Entry Port Into State

Although traffic into California over Highway 40 showed a small drop during January as compared with December, it was still considerably above the same month for last year and the Truckee quarantine station occupied fourth place among the checking stations as a port of entry.

The January report from the department of agriculture showed 31,496 cars, 3,939 trucks and 873 buses, carrying 100,940 passengers checked at the local station last month.

This compares to 38,300 cars for December and 29,303 for January, 1959.

Stations exceeding Truckee last month were Winterhaven, Blythe and Yermo.

There were 6,359 cars, 390 trucks and 34 buses with passengers totaling 19,389 checked at the Meyers station on Highway 50 last month. This marked a drop over December and a slight gain over January, 1959, the report indicated.

Patrol Makes Good Use Of School Here

The California Highway Patrol, here in force to maintain orderly traffic during the Olympic Winter Games at Squaw Valley, has converted the Tahoe Truckee High School into quarters for the more than 150 men.

The cafeterias has been taken over as a mess hall while the CHP cooks have preempted the kitchen facilities.

The classrooms have been converted into cozy barracks, while the shop is being used by the patrol to maintain and repair cars and other essential equipment.

All this has been done without disturbing the facilities which will be returned to their normal use the first of next month when classes in the district are resumed.

Complete and uniform order exists at the school under the direction of Captain Richard Langner, area commander. School personnel, such as custodians, etc. are being retained in their position to assist in the work at the buildings.

Langner said that although the quarters are rather costly—the state pays $12,000 a month rent—they are ideally suited for the purpose for which they are being used.

LOCAL LODGES WILL OPEN HEART DRIVE

Naomi Rebekah Lodge No. 2 and Donner Lodge No. 162, I. O. O. F., have appointed Janet Franklin and William Davis to head the organization of the lodge membership collecting funds for the Heart Association in Truckee and surrounding area during the heart fund drive.

Mrs. Franklin and Davis will enlist volunteers from the lodges and others interested in making a door to door canvass for contributions.

"Heart trouble touches more families in Nevada County than any other disease," the chairmen declared. Of the 283 people who died in the county in 1958, 173 died because of heart trouble."

"A contribution to the Heart Association is our No. 1 defense against the disease—the nation's No. 1 enemy."

Odd Fellows and Rebekahs throughout the state will be participating in the drive for their fourth year.

BUILDING BOOMS IN PLACER DURING '59

AUBURN—Placer County building permits for 1959 exceeded those of 1957 and 1958 combined, Bruno Bacci, director of public works, reported to supervisors.

He said 1959 totaled $21,101,347, against $11,476,435 in 1958 and $9,626,374 in 1957, giving 1959 a total of $100,000 more than the previous two years combined.

The uincorporated areas totaled $15,438,317 last year, followed by Roseville, $4,062,244; Auburn, $891,013; Lincoln, $281,357; Colfax, $229,039 and Rocklin, $199,407.

SUNBEAMS

By WALTER M. BARRETT

Today the VIII Olympic Winter Games got under way at Squaw Valley, heralding the birth of a new and gigantic winter sports era in California. There have been varied and numerous complaints over the money spent, the way the program has been conducted and other squabbles have been brought to the public's attention. Few comments have been made on the far-reaching value the games will have on winter sports, nor on the valuable property which will stand as a lasting memorial to the long hours and hard work and the broad thinking of the planners. No doubt some money has been wasted. There have been mistakes made and things have certainly not always gone smoothly, but none can deny the fact that holding the Olympic in California and Squaw Valley has been one of the greatest advancements in winter sports that could possibly have been thought of. Several states and cities offered during the recent rain storm to have the games transferred there if some freak of nature prevented holding them in Squaw Valley. These people know perhaps better than we the true value of the Olympic Games to an area. We hope sincerely that the games will prove beyond all doubt that the planners were right and although there may still be criticisms, they cannot be directed to the benefits which are certain to result from having the fine facilities and advertising values which are Squaw Valley's.

ONE GIRL SEVEN BOYS ARRIVE AT HOSPITAL

One baby girl, with 7 boys arrived at Tahoe Forest Hospital in the interval of February 8 through 17 for families of Truckee and Lake Tahoe.

Ann Marie was welcomed by her parents, Mr. and Mrs. Sven Brolund of Tahoe City, February 10, weighing a plump 8 pounds, 15¼ ounces.

Titus Rodan, son of Mr. and Mrs. Roland White of Truckee was born February 8, with a first weight of 7 pounds, 9½ ounces.

Mr. and Mrs. Joseph Simoni of Kings Beach became the parents of Michael Daniel February 10. His weight was first noted at 7 pounds, 11¾ ounces.

Mr. and Mrs. Gary Reid of Truckee greeted their son, Sheldon John February 15. He tipped the scales at 8 pounds, 5½ ounces. Mr. and Mrs. B. Reynolds are the pround maternal grandparents.

Mr. and Mrs. Charles Bunt of Truckee became the parents of a son, February 16. The lad's given names are being selected, his arrival weight was 7 pounds, 10 ounces.

Mr. and Mrs. Gilbert Diehr of Truckee named their son John Howard at his birth, February 16. Seven pounds, 15½ ounces was the first weight.

The given names of the son of Mr. and Mrs. Archie Scott of Tahoe City had not yet been selected, following his arrival yesterday morning. The child's birth weight was 7 pounds, 8½ ounces.

Dr. and Mrs. W. D. Brodie are proud parents of a baby boy born February 11 at 1:30 p. m. at the Tahoe Forest Hospital. The newcome has been christened John Douglas.

VETERANS' OFFICER HERE ON FRIDAY

The Nevada County veterans' service officer will be in Truckee, weather permitting, on February 19, between the hours of 10 a. m. and 3 p. m.

Anyone desiring to avail themselves of these services may do so at the office of Justice Fosten W. Wilson, justice court, during the hours indicated.

BURGLARS TAKE CASH IN STATION ROBBERY

Thieves sometime Tuesday night broke into Jack Gross' Texaco Service station west of Truckee on old Highway 40.

Deputy Sheriff Pat Patnoude said the only thing missing was money from the cigarette and coke machines.

Lovelock Wins In Both Games With Wolverine Cagers

Mustangs Edge Locals In Close Game, Coming From Behind

By Kris Felte

The Lovelock Mustangs staged a fourth period comeback rally to down the Tahoe Truckee Wolverines 70-67 here Saturday night.

The game was very close during the opening half with Lovelock usually holding the margin.

In the opening quarter Andy Oroz racked up six points in helping the Mustangs build up a 16-14 quarter lead.

The cold Wolverines came out on the short end of a 32-30 halftime score despite the scoring of Bob Merica who sank eight points.

Lovelock could not counter-attack Truckee's third period showing as the Wolverines scored 23 points while holding the visitors to only 15. Bob Merica topped this scoring effort with 10 points.

Fouls hampered the locals in the fourth period as they lost four players, Bob Merica, Sam Medford, Chuck Bergman, Reg Smart. Lovelock taking advantage of the situation making the free-throws to regain the lead. Tony Trevino paced the fourth period rally by hitting six for six from the charity line.

In scoring BobMerica and Andy Oroz tied for high with 18 points each. Tony Trevino followed behind with 16.

For the Wolverines it was a bad night as they could not hit the bucket until the third quarter.

LOVELOCK JV's WIN

The Lovelock J. V5's made it a perfect night by defeating the Wolverine Cubs. Elmer Pancho paced the young Mustangs with a 35 point effort. David Decker made 27 points for the losers.

SHIRLEY TAYLOR TO WED C. ROBINSON

Mr. and Mrs. Jack Taylor of Truckee have announced the engagement of their daughter, Miss Shirley Taylor to Craig Robinson, son of Mr. and Mrs. L. J. Robinson of Kings Beach.

The betrothed pair were June graduates from Tahoe Truckee High School District. The bride-elect presently is attending school at Sacramento and Robinson is a student at Fresno State College. During his high school days, Robinson had an enviable record as a baseball pitcher.

The young couple plan to continue their schooling and have set no definite wedding date.

BOARD TO SUPPORT LOCAL WATER PLAN

Cecil Edmunds, local member of the California-Nevada Water Compact Commission, appeared before the board of supervisors in Nevada City Monday to explain the water needs of the county and to solicit their cooperation in drawing up the agreement between California and Nevada.

The board instructed Deputy District Attorney William Cassettari to draw up a suitable resolution to be presented to the board for future action.

JERRY BECK GETS PROMOTION IN ARMY

KAISERSLAUTERN, Germany (AHTNC)—Jerry W. Beck, 18, son of Mr. and Mrs. Olaf Beck, Truckee, recently was promoted to private first class in Kaiserslautern, Germany, where he is a mechanic in the 15th Quartermaster Company.

Beck, who was last stationed at Fort Lee, Va., entered the Army in April 1959 and completed basic training at Fort Ord.

He attended Tahoe Truckee High School.

PENRYN DENTIST IS HEART VICTIM HERE

The body of Dr. K. Kashiwabra, 42, a Penryn dentist and prominent Boy Scout leader, who died during Tuesday night while quartered with the scouts here, was to be shipped to Auburn by the Truckee Colonial Mortuary for funeral services. Dr. Kashiwabra is survived by his wife and two brothers. Death was attributed to a heart attack.

The Boy Scouts are here to assist in the conduct of the Olympic Games at Squaw Valley.

2-Hour Parking Is In Effect As Signs Installed On Street

Two-hour parking signs have been installed on the north side of the main street between the Donner Theater and Bank of America and enforcement is underway.

The signs read "Two Hour Parking, 9 a. m. to 6 p. m., except Sunday," and were put up by the county road crews Monday on orders from the board of supervisors.

Installation of the signs and enforcement of the ordinance was requested by the Truckee Donner Chamber of Commerce when it became apparent that the building of the new freeway had not relieved the congested parking problem on the main street as was anticipated.

Merchants pointed out that car owners were using the street as a permanent parking area, leaving cars night and day for several days. It was also found that Squaw Valley employes are bringing their vehicles to Truckee where they left them parked while they took buses to the valley, leaving the cars occupying spaces valuable to merchants and shoppers.

The enforcement policy is resting with the sheriff's deputies in this area who have been instructed to issue citations to violators.

Freeway Provides Alternate Parking

Although the compacted snow parking area in Squaw Valley is reported to be working nicely for a limited number of cars, the state division of highways, the highway patrol and the organizing committee have worked out an alternate in event of failure of the "pad."

It has been decided, that in the event of failure of the lot, cars will be parked on the shoulders of the freeway east of Truckee. From there the spectators to the game will be picked up and returned by bus, with a fee being charged.

Decision to use the freeway as an alternate parking area came during a meeting of officials last week when it appeared the compacted area would not hold up. Whether or not it does rests largely with the weather.

COMMIES OPPOSED TO RECEPTION HERE

According to a press dispatch from Vienna, the communists are heckling the Squaw Valley Olympics before they are even started.

Many things, according to the dispatch, do not please the red press—from those "nearly genuine cowboys" who greet the arriving foreign athletes, to the "primitive quarters" provided for the athletes, and the Reno gambling joints.

Typical was the "special report" which occupied most of the sport page of today's Volksstimme of the Austrian Communist Party. Its headlines was "poetry and prose about the Olympic Winter Games."

It criticized "so-called American courtesy" about reported troubles the foreigners had with customs inspection.

Volksstimme also found fault with the Squaw Valley ski layout and took a dark view of having Austria's competitors entertained by "that schmaltzy pianist, Liberace."

"It was even worse," Volksstimme said, to have the young folks tempted by "those gods of fortune, the Reno slot machines."

And not only were the athletes given "primitive quarters" but they were lured by "the insistent salesmen of cheap souvenirs."

ANDY GARCIA HURT IN STATION MISHAP

Andy Garcia of Truckee is reported to be improving in a Reno hospital following serious injuries suffered while installing tire chains on a car at Ed Hellar's Service Station last Thursday.

Garcia was under the car, which was up on a jack, when someone accidentally bumped the jack handle causing it to drop. Garcia was struck in the face and he suffered serious fractures and one eye was damaged.

The Order of the Eastern Star, Chapter No. 116 will hold a pot luck supper on March 1st in the Masonic Hall here. All visiting members to the area are given a cordial invitation to attend the meetings of the local chapter.

Vice President To Open Ceremonies At Olympic Games

International Events Open With Dedication Of Ice Arena

Vice President Richard Nixon and his wife Pat arrived in Reno on Thursday morning en route to Squaw Valley.

Nixon will represent the President in the dedication ceremonies officially opening the Winter Olympic Games.

Upon his arrival at the municipal airport, Nixon and party were airlifted to the games site by helicopters furnished by the Stead Air Force Base.

Col. M. C. Barnard, Stead commanding officer accompanied the vice president in a H-21 helicopter piloted by Maj. F. M. Carney, base operations officer.

Nixon was greeted on his arrival at the games site by a picked honor guard of 24 airmen commanded by 1st Lt. Donald B. Harrelson, of the Air Police Squadron at Stead.

Immediately on his arrival scheduled for 11 a. m. at Squaw Valley Nixon helped in the dedication of Blyth Arena.

At 1:15 p. m. he appeared at Blyth Arena and was accorded full honors as the President' representative. At 1:30 the vice president will take his place at the Tribune of Honor for the opening ceremonies.

In the afternoon he will inspect Olympic Village and attend a reception in his honor at the Athletes Center.

Nixon will spend the night at the home of Charles Thieriot publisher of the San Francisco Chronicle, on the west shore of Lake Tahoe. He will depart on Friday for Reno and is scheduled to arrive in Reno at 11:30 a. m.

Lowell Thomas Is Here To Broadcast

Lowell Thomas, internationally known news commentator, radio broadcaster, author and lecturer, is currently at Squaw Valley where he is sending out his daily news reports by radio.

Thomas is no stranger in this area, having spent a number of weeks each year skiing in the resorts nearby and making his broadcasts from the Southern Pacific depot.

Thomas stopped for a brief visit at the Sierra Sun office this week and asked to be remembered to his many local friends.

In speaking of Squaw Valley faciilties, Thomas compared them favorably with any he had ever visited and he has skied in nearly all the world famous winter sports areas.

ROTARIANS MAY USE SQUAW SIGNUP BOOK

Rotarian visitors to the Winter Olympics can avoid an old bugaboo—the traditional fine for missing a meeting—if they sign their names at the right place at Squaw Valley.

Ed Bean, Pacific Telephone manager, said a special sign-up booklet will be available at a public telephone trailer located near the ice arena to enable members of the international organization to justify absences from meetings during the games.

The Tahoe City and Truckee Rotary Clubs decided to establish the sign-up center because of the inability to locate a meeting place of sufficient size to accommodate the large number of Rotarian visitors expected from many lands, Bean said. Souvenir Rotary flags will also be distributed.

"One advantage of having the center at the Phone Company trailer is that the eight girls assigned to it are able to speak 12 languages," Bean said. "They are expected to be of great help to foreign visitors."

MISS HECKER BETTER AFTER OPERATION

Miss Elma Hecker, Nevada County tax collector, underwent surgery at Mercy Hospital at Sacramento on Monday of this week. Miss Hecker's condition subsequent to the surgery, which was an ordeal of more than four hours, has been very satisfactory. Miss Hecker was hospitalized at the Miners Hospital in Nevada City previous to her operation.

ANNIVERSARIES ARE FETED BY FAMILY

Mr. and Mrs. Charles Kay observed their wedding date the latter part of January and their daughter, Liane was feted on her birthdate the first of February.

Other local people enjoying happy birth dates this month include Bill Thornton, Donna Horman, Gary Grow and E. A. Parker. The latter admits to being 39 years of age.

West Shore Notes

By NINA SLADE
LAmbert 5-7751
P. O. Tahoma, Lake Tahoe

Enjoying the hospitality of Italian Consul Domenico Gianinni at Squaw last Saturday were Mrs. J. P. Vonich and her grandson, John Emery, of Oakland, with her sister, Mrs. Mary Johnson of Tahoe Pine Lodge, and the writer. The day was perfect. Spectators were thrilled by the skaters practising in the arena and outdoor rinks; the spirited Japanese hockey team at workout and the top thrill of all—the jumpers. No one should miss this wonderful international pageant being staged in our own backyard.

* * *

Vice President Richard Nixon and Mrs. Nixon will spend Thursday night at the home of Mr. and Mrs. Charles Thieriot on the west shore after representing the President in Olympic dedication ceremonies.

* * *

Tahoe Tavern has reservations for Governor Pat Brown, Sen. Clair Engle, Debbie Reynolds, Mrs. Charles Blyth, Thomas Carr Howe of San Francisco. Speed skater Tommy Corcoran is also there and "Dusty" Rhoades, vice president of Henry Kaiser Industries. Reservation Manager Pat DeMingo is pretty busy and in many languages.

* * *

Valentine's Day, February 14, marked 116 years since Captain John C. Fremont first glimpsed the glory of Lake Tahoe from one of its surrounding peaks.

* * *

Receiving nice notes hoping for good Olympic weather from Tahoma friends, the R. H. Shermans, wintering in Palm Springs and Mr. and Mrs. A. R. Specht of San Francisco. Glad to let them know with (fingers crossed) that as of this writing the sun is shining, the snow is splendid and the prospects are bright.

* * *

Mrs. Lolita Smith, daughter Dorothy Raynor, and son John, of San Francisco and Reno, have opened up Tahoe Cedars Lodge, Tahoma, for Olympic officials.

* * *

May and Mac MacClean of Arbutus Camp, Tahoma, are up for the Olympics and expect the Sam Sorrells of Los Gatos. The Bernie Northrups of San Francisco, and the Rudy Lindbergs of Clear Lake to join them for the fun.

* * *

The Rubicon area is almost as full as it is in summer. Up for the games with guests are the Metcalfs, the Hinmans and the Eidels, who are renting the Weislander house.

* * *

The Ernie Pomin pier at Tahoe City which was old in the 1920's blew down during the big storm. One of two new houses built last fall at Swiss Village by C. S. Hardemann of the bay area burned to the ground during the storm. It was too late for rescue when the Tahoe City Volunteers were finally notified and rushed to the scene. Bob Lynch, caretaker at Meeks Bay Resort came home to find a 5x15 hole in the roof from a falling limb. After notifying the Kehlets he received a sympathetic note from George saying that their Palm Springs house had had a rough roof treatment from the high winds there and they had managed to get it repaired before the torrential rains ruined everything.

* * *

Fred Cunningham's restaurant was busy last week. Jack Dempsey met the Dave Grays of Sacramento at the summit and they made a foursome. Famous Gene Autry was there with his pilot and a party of friends. Also enjoying Fred's good food were Gordon Conrad of Sacramento, who is handling the seating arrangements for the games.

* * *

The Ray Kettenhofen's of Chamberlands are mighty proud that sons Dave and Bob each carried the Olympic torch one mile in its run from Truckee to the valley. Mrs. Kettenhofen says the activity at Chamberlands and around the lake is just like summertime.

* * *

Paul and Irma Kerr of Meeks Bay Resort will be staying with Ben Callender at Homewood during the games.

* * *

The Howard B. Wilbourns of Blackwood Creek are at their lakefront home for the games.

* * *

Mrs. Phyliss Guerra is at her Rubicon home.

* * *

The Wayne Jacksons of Auburn and Tahoma spent the weekend here. Welcome Jackson and his friend Joebie Hayward are working in the Athlete's Center as bus boys and batching it at Jackson's Cottages. Guests last weekend were Mrs. Jackson's brother and wife, Mr. and Mrs. Nolan Chapman.

* * *

Marie Henry of Tahoe City is one of probably very few people who still sport ski pins from 1931-1932 when the Olympic trials were held there. These pins are collector's items now.

* * *

Annie Soll who celebrated her birthday this month is a Leap Year celebrant and can lean back now for another four years before Father Time taps again. Mrs. Louis DeMartini of Sunnyside celebrated her day this week.

* * *

Ray Mikkelsen, idol of skiers in the Tahoe region for many years and a champion himself, lit the Olympic torch in Auburn for the Auburn Ski Club. Howard Pyle,

(Continued on Page 6)

BREAKFAST AROUND THE WORLD

No matter how you spell it, pronounce it or eat it, breakfast is a world-wide nutritional necessity and perhaps the most important meal of the day.

Breakfast is called by many names in many countries, and the foods served are as varied as the names. In quite a few countries the breakfast is similar to that served in the United States. Bread, plain or toasted, a beverage, meat or eggs or both, cereal, and fruit juice are standard in many countries.

In Mexico, Spain, Argentina and other Latin and South American countries, breakfast is termed **desayuno**, the first meal of the day. Urban Mexican breakfasts often are much like our own. In rural Mexico, **frijoles con chrizo** (beans with Mexican sausage) grace the table. In Spain and Argentina the continental breakfast is the first meal. It usually includes coffee or chocolate and rolls. A more substantial breakfast is eaten later.

The Chinese start the day with a cup of tea. The following mid-morning breakfast, **cháo tsan**, may include cakes, soup, rice, vegetable bowls with chopped meat, fish or poultry and preserved or fresh eggs. Japan's breakfast, **choshiyoku**, is fundamentally the same.

Ireland's **bricfeásta** is a substantial meal which includes cereal, eggs, bacon and large amounts of bread with butter and jam. The British are good trencher-men at the breakfast table. Menus may include cooked cereal, toast or muffins and jam, a beverage, and a main course which could be kippered herring, sausage with potatoes, broiled kidneys or steak and kidney pie.

France's **petit dejeuner** and Italy's **piccola colazione** are continental breakfasts. However the Italians may add cheese and fruit to the menu. Breakfast in the Netherlands, **ontbijt**, is not to be taken lightly. Toast and rolls, hot cereal, a beverage, smoked beef, eggs and at least two kinds of cheese are included.

Even a world traveler would be hard pressed to recognize breakfast by many of its names. In Czechoslovakia it's **snidani**; in Yugoslavia, **dorvcak**, and in Poland, **szniadanie**. In Iceland, breakfast is **morgun-natur**; Greece, **progevma**; Turkey, **kahvalti**. The morning meal in Germany is **fruehstueck**; in Norway it's **frokast** and in Sweden, **frukast**. In the Phillipine Island, breakfast is **pang-una-gahan**, and in Portugal it's called simply café.

Whatever its name, breakfast is the most universal of meals. The menus are varied but in most cases the food served is of the type and amount to provide a breakfast adequate to relieve the hunger which follows a night's fast and to provide the body's nutritional requirements essential to physical and mental well being.

WEATHER

Since last weekend we have had changes from rain to snow, with bright shining weather. Scowls at Squaw Valley changed to happy smiles. Noel Hulbert gave a graphic report of the activities at the now famous valley. The food being given out was most delicious. The nationals gathered together were happy and delighted with the setup, especially with the magnificent mountain scenery. Some of the Australian teams would like to take a couple back with them. Harry Johanson, our constable met with members of the Swedish group and was in his heighth of glory.

SOON BE HOME

Had a letter from Kenneth Lavery from aboard the Cruiser St. Paul. He is counting the days, just can't push the days along fast enough. He says he sure enjoys reading the Sierra Sun. He expects to go to the University of Nevada upon return.

RESTING UP

Just had a line from Lloyd Barnes of Brassie Avenue, now staying at his mother's house in Richmond. He tells of Mrs. Ella Blake being sick in that city. She is more or less resting up as she expects to go under surgery in the near future. We wish her well.

TRAILERS

The mattter of having trailers in the county is again being brought to our attention. People have forgotten that there is a county ordinance forbidding trailers others than those that are being used while building a home and that for only 6 months and a permit must be obtained from the court house in Auburn. If home is not finished in that time another permit must be applied for. A trailer must in a trailer park. Also the matter of wrecked cars must be fully enclosed by a covered fence. These laws are to be enforced from now on.

HERE WE ARE

After a year or two of looking forward to the big show, we run right slap bang into it—kicks and joys and all that goes with it.

OUT OF HOSPITAL

Ray Kimbrough, employed by the Pacific Telephone Co. at Kings Beach is home again from Tahoe Forest Hospital where he underwent an emergency operation. We're might happy he is improving.

Charles A. Lindbergh inaugurated air mail service between Miami and Havana in April, 1930.

Tahoe Items

The Ralph Stanleys have arrived from Santa Monica to Tahoma and are preparing for guests during the Olympics.

Mr. and Mrs. William Haste have come from an eastern trip to stay at Gardena until the last of April when they will go to Lake Tahoe for the season.

OLYMPIC FUND MAY GO TO SHORTGE IN U. S. ALLOCATION

SACRAMENTO — (CNS) — The bulk of the $1 million "cushion" fund voted by the legislature for the Winter Olympics earlier this month may have to go to make up shortages in federal funds.

This was the fear expressed by Assemblyman Jesse M. Unruh, chairman of the assembly ways and means committee.

Unruh, in a letter to Prentis Hale, president of the Winter Olympic Organizing Committee, said he had been informed $800,000 of the federal money might not be forthcoming.

"I have been informed that the $800,000 appropriation for support of the military units assisting at Squaw Valley, was tied to the condition that no 'free nation' be barred from participation in the games," Unruh said. "This would suggest that the recent action of the International Olympic Committee in denying Nationalist China the right to participate in the games would result in the withdrawal of these funds."

Unruh said the $1 million voted by the legislature by a bare majority February 3 could not be used for services which it had been expected the federal government would perform.

Unruh asked Hale for an outline of what would be done, should the federal funds be withdrawn.

So far, the legislature has appropriated $9.9 million, the federal government $3.5 million and Nevada $363,000.

JEAN HOLMES TO WED REDWOOD CITY MAN

KINGS BEACH — Doctor and Mrs. Hillard Holmes of Brockway announce the engagement and coming marriage of their daughter, Jean, to Roger A. Finke of Redwood City, California.

Jean graduated from Tahoe-Truckee High School in 1954. She graduated in 1958 from the University of California at Berkeley as a physical therapist. She worked at Herrick Memorial Hospital in Berkeley over a year, now being employed at the physical therapy clinic of William Dascoulias in San Mateo.

Roger, the son of Mr. and Mrs. H. Finke of Sacramento, is a graduate of University of California, majoring in industrial engineering. He is employed as an industrial engineer with Eitel McCullough, Inc. in San Carlos. March 26 has been chosen as a date for the wedding.

Letter to the Editor

To the City of Truckee on the occasion of the fiftieth anniversary of the founding of the Boy Scouts of America.

We respectfully report for the Tahoe Area Council, Boy Scouts of America.

The extension of the program and ideals of Scouting to a record membership of 2,000 boys under the guidance of 800 leaders. Training in self reliance and democratic living for more than 600 Scouts who participated in one year-around camping program. Service to community and nation through civic good turns an intensified program of basic scouting skills stressing survival technique and physical fitness, a strong emphasis on civil defense preparedness and emergency service training and conservation of national resources.

A significant contribution to the American tradition of freedom through an enriched program of character building and citizenship training.

We believe that our promise to "do our best" is a solemn obligation, and that as young citizens we are helping to shape our nation and our world by what we do now.

We do therefore make our declaration of purpose as we move on —"for God and country" to do all in our power to make ourselves, our movement, and our nation physically strong, mentally awake, and morally straight.

Signed on this Eighth day of February, A. D. 1960 by the three Scouts selected to represent the members of the Tahoe Area Council, Boy Scouts of America.

TICKET MAILING FOR GAMES CURTAILED

SQUAW VALLEY — Mailing of tickets for the VIII Olympic Winter Games was curtailed effective February 13, it was announced by Clive H. Becker, ticket director.

Out-of-town purchasers will be able to make late purchases of Olympic Winter Games tickets before departing for Squaw Valley through establishment of a "Will Call" office at the entrance to the gamessite.

Purchasers requesting tickets through their local transportation outlets, or by certified check or money order to 333 Market Street, San Francisco, will be able to pick up their tickets at Squaw Valley upon presentation of proper identification at the main entrance "Will Call" windows.

Out-of-town spectators who had previously ordered, but not yet received their tickets prior to departure for Squaw Valley should check with the Olympic Winter Games office, San Francisco (telephone YU 2-7373) to confirm that their tickets will be held in the "Will Call" office at Squaw Valley.

Tickets for all categories and dates are still available and will be on sale at the Squaw Valley, San Francisco, and Los Angeles box offices.

Olive oil for centuries has been and still is the "poor man's butter" in many countries.

New Orleans and New York are the biggest banana importing and distributing centers in the world.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse. Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Man's God-given ability to think and act rightly will be emphasized Sunday at Christian Science services.
Scriptural readings in the lesson-sermon entitled "Mind" will include these verses from Proverbs (16:1,3): "The preparations of the heart in man, and the answer of the tongue, is from the Lord. . . . Commit thy works unto the Lord, and thy thoughts shall be established."
Correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "The human capacities are enlarged and perfected in proportion as humanity gains the true conception of man and God" (258:21).
The Golden Text is from Romans (12:2): "Be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God."

TRUCKEE BIBLE CHURCH
(Non denominational)
Rev. Roy S. Rhoades, Pastor
Sunday School, 9:45 a. m.
Morning worship 11 a. m.
Next Sunday will mark the beginning of the second phase of the series "Pathways to Power" in the message, "Bring the Book." Meditation upon the word of God is fast becoming a lost art among Christian people. It should be bread for daily use and not cake for a special occasion.

DONNER DOINGS

By VIRGINIA O'BEAR

Donner Lake was the scene of much excitement Sunday afternoon when crowds gathered from all over the country to welcome Norman Saylor as he skiied down Donner Summit with the traditional Olympic flame. After the Donner Lake torch was lighted, erected by Charles O'Bear, the Olympic torch was then passed hand to hand to the several hundred people gathered for the occasion. As I held the torch, I had a feeling of joining hands with people all over the world, hoping that everyone who held the flame realized what it stands for. Good sportsmanship, brotherhood and sharing which so many of us today neglect to do. If the flame helps to bring peace among nations and among our neighbors, we can be thankful we had the Olympics in our country.

* * *

Helping to celebrate the flame being in our area, a program was presented by Virginia O'Bear at Donner Lake Lodge. Some dances, readings and music were enjoyed as the different countries were honored who are participating in the Olympic Games. The little Tapia Twins, Lonny Lee and Patsy Dee, danced a Scottish number, Renee Hall danced a gypsy number in honor of Italy and Hungary. Also a Spanish number in honor of Spain and Argentina. Diane Pankoke danced The Old Soft Shoe for the United States and later for the late comers, several numbers including a Russian dance, accompanied by her dance instructor, M. Trotter, who came from Reno especially for the occasion, a ballet was danced by Jennifer O'Bear "Dance of the Sugar Plum Fairy" in honor of Germany and France. Helping honor the rest of the participating nations, Hal Welch, Dollie Harris and Pat Brack read some interesting articles, in between each dance. Georgiana King played several numbers on her violin accompanied by Mrs. Winifred Edmunds, one being Hungary Rhapsody No. 2. Many people were on hand for the celebration, N. F. Dolley, president, from Truckee Donner Chamber of Commerce, Zeph Rose and Pat Tonini. Two members of the Japanese Embassy were present, Kei T. Ohtake, observer of the Japanese delegation, H. Kihara, leader of the Japanese delegation. The entire Japanese delegation is staying at Dorothy Metcalfe's new motel for the whole month of February. Canadian officials are with Mr. and Mrs. Arnold Verdi. Many more people were present but I was unable to get all of their names. Monday at noon the torch was relighted by Cub Scouts Mike Davis and Rod Farley, handed down the snowbank to more Cubs and Brownies and after a few songs by the choir from Truckee Assumption Cathloic Church, it was blessed by Father O'Neill and passed through the huge crowd again hand to hand before it was skiied by some thirty skiiers from the Donner area, towards Truckee for another ceremony before its destination for the Olympic Games. We at Donner Lake and Truckee are grateful that we have been included in this worldwide event and to all who made it possible.

* * *

A delightful meeting was held at Donner Lake Lodge last Thursday night when members of the Ladies Auxiliary elected officers for the coming year. It will be a busy one, for the ladies voted to help the firemen again this year with the Donner Lake Regatta. there will be another box supper and they will crown another queen to be Miss Donner Lake. It will be an annual affair each year and all service clubs will be invited to enter their candidate to participate. Last year Miss Donner Lake was Shirley Smith of Donner Lake. Her princesses were Nancy Williamson of Soda Springs, Terry Ellis from Truckee. The court participating also was Nancy Watts, Sharon Tremayne Brown, Anita Diaz and Terry Beck. This year will be more exciting and fun because a larger crowd is expected. The next regular meeting is scheduled for March 17 and hostesses for the month will be Bess Reid, Dorothy Slack and Ozella Slate. Let's all go and help get the ball rolling for the new year.

* * *

Mr. and Mrs. Ronald White are the proud parents of a little boy born last week, February 8. He has been named Titus Rudan and is progressing real well, according to grandmother, Gennie Marshal.

* * *

Dr. and Mrs. Douglas Brodie welcomed their new son, John last week. All three are doing fine and I noticed the proud look on the doctor's face when I saw him downtown last week.

* * *

Mrs. Dorothy Metcalfe is spending all of her time at Donner Lake now as she has her brand new Pink Piers Motel in operation. Dorothy says she will be glad when she is more settled so that she can have more of a social life and become acquainted in this area.

* * *

Jay Richards and brother Spencer and family are in Los Angeles as their father is quite ill. While the Spencer Richards are away, Art Johnson is staying at their home watching the pets and taking care so the water pipes won't become frozen.

* * *

Miss Shirnell Hansen returned home this week after spending two weeks in Sacramento and Marysville visiting friends. She is glad to be back as she plans to go to the Olympic at least one day.

* * *

It is a treat to drive on Highway 40 out here at Donner Lake because of the beautiful decorations put up by the Truckee Donner Chamber of Commerce, and Donner Lake Resorts in preparation for the Winter Olympics. The Chamber and members of the Resorts worked hand in hand preparing the decorations so Donner Lake would look colorful and inviting for the games. It is wonderful to see the results from a lot of hard work and planning.

* * *

Carol Brown celebrated her tenth birthday Sunday with some of her little neighbor friends and her sisters and little brother. Those present for the party were Pamela and Donna Horman, Jennifer and Mike O'Bear, Phyllis, Roxanne, Leida and Todd Brown. Mrs. Brown served the birthday cake and ice cream to Carol and her guests.

* * *

Donner residents are happy to have Dick Walker back home after his stay in the hospital with pneumonia. Regardless of his weakened condition, a meeting was held in his home Sunday night with committee members working on the zoning of Donner Lake. The Planning Commission postponed the hearing until the March meeting in order to give the committee a little more time. A lot of progress has been made by the group and several people attended the meeting in Nevada City Monday evening. They were Dick Swanson, Dr. and Mrs. Robert Affeldt, Mr. and Mrs. A. St. Claire, and Hap Warnke.

FBI ENTERS CASE OF STOLEN MATERIAL

SQUAW VALLEY—The Federal Bureau of Investigation moved into the case of the missing spare Olympic torches.

Pranksters early Sunday broke into an auto and stole four spare torches, an Army walkie-talkie radio and two cameras used for filming the 400-mile torch relay from Los Angeles. The original flame was safe. It was in a miner's lamp in a hotel room.

One of the 30-inch long torches and the two cameras were found in a snowbank near here later in the day.

The flame arrived here Tuesday, marking the end of a 9,000-mile trip from Norway, the original starting place.

Sheriff Wayne Brown of Nevada County said the FBI was called in because the theft involved U. S. government property, the walkie talkie.

He said three youths were being held for questioning by the FBI but that the "fellow who broke into the car is still on the loose."

He declined to mention any name.

THIS GOOD LIFE

The good life is yours because you have earned it, and because you have learned to use the materials and services of a high living standard.

How did you learn about these things? Probably through advertising.

A newspaper is on strike, and business drops 7% in two weeks. In another town, a radio station goes on the air for the first time. Tempo along Main Street picks up, as more people shop for more things.

Advertising is, above all, communication. It tells you what is available, and makes you want to have it. Yes, advertising increases our desire for new and better things. America's record proves it is good to reach for a star. By reaching, we have provided the good life for practically everybody. Can any other nation say as much?

ADVERTISING HELPS YOU ENJOY THE GOOD LIFE

dry clothes the magic way

It's unbelievable, the magic way your electric clothes dryer takes the work out of washday.

You dry clothes day or night, rain or shine! Less ironing, too, because many items come out of the dryer fluffy and soft, ready to store. Less wear and tear on your clothes and linens, too—and no fading. No dust, soot, or grime touch your clothes—just gentle tumbling action and electric heat do the job.

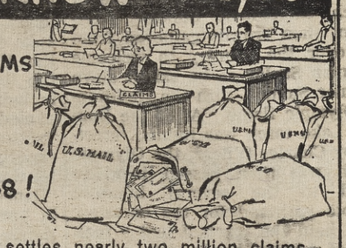

See your electric dealer about an electric clothes dryer, the magic way to better living, electrically!

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO—(CNS) — Fair trade for prices on liquor very probably is on its way out in California.

Gov. Edmund G. Brown and his new director of Alcoholic beverage control, Malcolm E. Harris, have come up with a plan to make the industry show support for the program of requiring all bottles of a certain brand of liquor to be sold at the same retail price.

Brown, admittedly, is not too fond of the act. A bill designed to strengthen and justify the Fair Trade Act was approved by the 1959 legislature but vetoed by the governor last July.

From comments to the press, Brown feels fair trade has a doubtful validity of protecting the small businessman, at the expense of the consumer. For even the advocates of fair trade will admit it eventually results in a higher price to the consumer.

California's act, under which distillers, wholesalers, or owners of a brand of distilled spirits, file a minimum retail price and the department prohibits any retailer from selling below that minimum, was upheld by the state supreme court last November. Even though the department is left to enforce prices submitted by private industry, subject to frequent change, the court held this is a lawful delegation of powers because of the nature of the business.

Violations of fair trade have been numerous, often with the indirect aid of the actual people who file the minimum prices with the department. The holiday season is a prime time for violations and dealers offer to sell quantities of liquor to business concerns at the legal discount of 10 per cent a case, plus another $10 to $12 a case.

Thus many persons in the liquor industry have felt fair trade is a good thing for their competitors but not for themselves. Numerous warnings have been given to the industry that they must clean their own house and stop giving lip service only to obedience to the fair trade law.

The big difference now is that Harris, presumably with the governor's blessing, has gone a bit further with the warning.

From now on, whenever an accusation is filed against a retailer licensee, charging fair trade violations, Harris will begin writing letters. He will write to the wholesaler or distiller who sold him the liquor; he will write to distillers or wholesalers who handle competitive brands; he will write to various retailer and wholesaler socciations which have members in direct or indirect competition with the alleged violator.

Harris will ask them to stop service to the offender, if they are selling to him. He will ask them to bring civil action for damages. And he will ask them to report to the department what action has been taken.

If Harris' letters are met with indifference or lack of action, it is quite possible he will recommend to Brown that the Fair Trade Act should go. In such a case, it might be expected that Brown's message to the 1961 legislature might include a recommendation that the Fair Trade Act be repealed.

This would appear to make the days of fair trade for liquor in California numbered. For the wholesalers or distiller is not likely to stop service to a good customer, or file a civil suit against him because the retailer committed a violation which the wholesaler or distiller encouraged him to commit in the first place.

It is likely Harris' letter-writing campaign will meet with something less than enthusiastic support. If this is the case, look for the repealer in 1961.

Harold Johnson To Ask For Reelection

Congressman Harold T. (Bizz) Johnson of the 2nd, mountain-valley district, today announced his candidacy for re-election.

Congressman Johnson, a Democrat seeking his second two-year term in congress, commented that his lifelong residency in the area and his "vital interest in the progress of our state and nation," gives him a "more than average knowledge of the many problems which confront our mountain-valley counties."

The congressman has a broad background of public service, starting with membership on the

HAROLD T. (BIZZ) JOHNSON

Roseville School Board and including service as a City Councilman and for eight years as Mayor of Roseville.

For 10 years prior to his 1958 election to congress, Representative Johnson served as a member of the California State Senate. In this capacity he was active in legislative matters pertaining to highway programs, education and development of natural resources.

In congress, he is serving on the public works committee. As a freshman member of the house of representatives he was chosen by the committee chairman, Congressman Charles A. Buckley of New York, as a member of a select committee to investigate the nation's inter-state highway construction program.

Of his record in the first term in congress, the non-partisan, non-profit Claremont College California Congressional Recognition Plan found Congressman Johnson has drawn from his experience in state and local government and civic activities to concentrate successfully his efforts in the fields of water and power development, agriculture, forest management and recreation, and mining problems, all vital to the future of the Second congressional district.

The district is composed of Alpine, Amador, Butte, Calaveras, El Dorado, Inyo, Lassen, Mariposa, Modoc, Mono, Nevada, Placer, Plumas, Shasta, Sierra, Siskiyou, Tehama, Trinity and Tuolumne Counties.

Congressman Johnson, a native of Roseville and a product of Roseville schools, was supervisor

POST OFFICE BUSY WITH CANCELLATION

Postmaster Oliver Corona announced today that plans have been completed to service an estimated 350,000 first day covers of the Olympic stamp which will be placed on first day sale at Tahoe City today.

Corona emphasized the magnitude of a first day sale by announcing that at least 35 temporary employees will be hired for about two weeks to service the avalanche of covers. In addition a representative from the post office department in Washington, D.C. will be in attendance throughout the operation.

Special cancelling equipment has been sent here by the post office department and will be operated by a special technician trained in their use.

Corona described the stamp as blue in color with a design featuring the Olympic Emblem of five entwined links and a stylized snowflake.

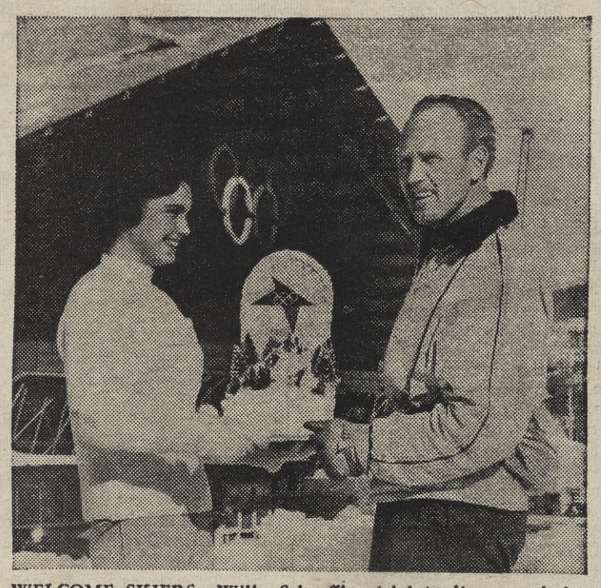

The stamp was designed by Ervine Metzel of New York. One and one-half million of the total printing of 120,000,000 have been shipped to Tahoe City. If demands warrant, re-orders will be made from the Bureau of Engraving and Printing in Washington so long as stock remains of the initial printing.

The first day sale of these new stamps is of special interest to thousands of stamp collectors in this area, the local postmaster noted. Stamp collecting as a hobby has been increasing greatly in recent years, particularly following reports in national news magazines and other publications of profits which may sometimes be made in connection with collecting of United States postage stamps.

FLEISHHACKER HOME BURNS ON SUMMIT

NORDEN—The Mortimer Fleishhacker summer home in the Sugar Bowl area west of Donner Pass burned to the ground from unknown causes.

Barney Brewer, lodge manager at the Sugar Bowl ski resort, said he understands no one was staying at the residence belonging to the San Francisco family.

WELCOME SKIERS—Willy Schaeffler (right), director of the 1960 Winter Olympic Games in Squaw Valley, California, accepts a special Olympic ski cake from pretty Duncan Hines Girl Fritzi Higgins, heralding the Winter Games, February 18-28. In background is the unique, cantilever Olympic ice arena.

'COW' COUNTIES ARE RAPPED BY COLLIER

California's Northern mountain counties "have been robbing us blind for years," a Southern California assemblyman charged.

The charge was leveled by John L. E. Collier (R-Los Angeles) at an Assembly Ways and Means subcommittee hearing on budget proposals to provide $287,090 in state assistance to 10 mountain counties who don't maintain regular health departments.

"The cow counties are running the Senate now, they're robbing us on school aid; it's about time they carried their own load," Collier declared.

for the Pacific Fruit Express Company before going to Congress. He is a former president of the American River Development League, a former district chairman of the Brotherhood of Railway Clerks, and a member of Lambda Chi Alpha, Eagles, Moose and Elks, and a merit members of the Sons of Italy in America.

Congressman and Mrs. Johnson, who live at 423 Grove Street, Roseville, has two children, a daughter, Lorraine, a junior at Sacramento State College majoring in education, and a son, Robert, a freshman at the University of Santa Clara.

"To serve in the Congress of this great nation is a privilege and an honor," Congressman Johnson concluded his announcement. "I thank you for your best efforts in my behalf and humbly ask your continued support in the primary and general elections of this year."

TORCH CEREMONY

(Continued From Page 1)

the area. Dr. Affeldt then spoke and read a letter from Jerry Carpenter, former Winter Sports official for the state chamber of commerce and an enthusiastic follower of the sports, who was unable to attend. Carpenter paid tribute to the scores of veteran skiers and how winter sports has become such a major endeavor in the community.

The honor of lighting the torch which had been erected on the rocking stone by Ransome Company and the Truckee Tahoe Fuel company went to Walter M. Barrett, local publisher and member of the California Olympic Commission.

After spending the night at Truckee Hotel, where its custodian stayed, the torch was taken to Squaw Valley Tuesday to await its descent down KT22 where it will cast its glow over the games which open today.

FLAME IS BLESSED

The Olympic torch was dispatched to Squaw Valley Tuesday morning following a blessing by Rev. George Symons. This ritual was performed at Donner Lake by Father P. J. O'Neill.

The flame left here Tuesday noon and was escorted by a group of experienced skiers with instructions to have it at the Valley entrance by 3:30 p. m. From there it was taken to the top of Papoose Hill where it was to repose until this afternoon when it will be skied down to the arena.

Mrs. Frances Couillard of Soda Springs and Dolley had charge of the flame from Emigrant Gap to Squaw Valley and were highly complimented for their excellent handling of the details.

The Cub Scouts participated at both the arrival and departure programs at the Rocking Stone tower and did a most creditable job, earning the praise of those who witnessed the ceremonies.

BIBLE LECTURE SET FOR SUNDAY AT 2

Jehovah's Witnesses in the Tahoe-Truckee area are particpating in a special week of activity which will be climaxed this Sunday with a very timely Bible lecture. The title of the talk will be "Walking Wisely in a Wicked World." The speaker will be D. D. Hinkle, a special representative of the Watchtower Bible and Tract Society of Brooklyn, New York. Hinkle is serving as circuit minister to upward of twenty congregations of Jehovah's Witnesses in California and Nevada and is well qualified to speak on the subject.

The talk will be delivered at the Wyethia Hall on River Street in Truckee. The time, Sunday afternoon, February 21 at 2 p. m. All are invited and no collections will be taken.

NEW OFFICERS OF AUXILIARY SEATED

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department enjoyed a very pleasant evening on February 11 at Donner Lake Lodge when new officers for the year were installed by former presidents Bess Reid and Laura Horman.

A red carnation corsage was presented to each officer by Bess Reid with instructions of their duties for the coming year and she received a pin and earring set. Every member of the Auxiliary is happy to have Jean Walker as the new president. Virginia O'Bear is vice president, Dollie Harris, secretary and Paula Quist is treasurer. Board members are Dorothy Slack, Ozella Slate, Helen Doolittle, Milla Johnson and Laura Horman.

Auditors for the year are Charlotte Harris and Edith Welch. The new office of parliamentarian will be held by past president, Bess Reid. The officers for entertainment and publicity will be appointed by the new president at the next meeting which will be March 17 at Smart's.

At the last meeting, members voted to assist the firemen with the Donner Lake Regatta and a committee was chosen to work on the regatta program. Dorothy Slack and Virginia O'Bear will head the committee with Bess Reid, Jean Walker, Elaine Lander, Dollie Harris, Helen Doolittle, Donna Warnke and Laura Horman, assisting.

The Donner Lake Regatta sponsored by the Donner Lake Volunteer Fire Department will be held Sunday, July 10. It promises to be bigger and better as the championship races for the fast going outboards is being decided upon now and Donner Lake seems to be first choice with the racers of the Northern California Outboard Association.

At Niles—

Mr. and Mrs. Joe Mattos came from Niles where they have bought a home, planning to divide their time between the two places during the year.

California had 654 acres planted to persimmons in 1958.
